

HP 200 G2Ri 16 inch Notebook AI PC

AI-ready power in a flexible device for business essentials

Support modern workflows across your growing business or classrooms with the HP 200 G2Ri 16-inch Notebook AI PC, offering AI-ready processing³, built-in collaboration tools, and flexible memory and storage upgrades in a scalable, big-screen design.

AI-ready performance in a cost-conscious device

AI-ready processing³, security and flexible configurations packed into a durable, cost-optimized device for hybrid professionals and educators.

Bring clarity and confidence to every conversation

Drive clear and crisp collaborations with an integrated camera, AI-based noise reduction, and dual built-in mics.

Built-in security for reliable data protection

The HP 200 G2Ri is protected through hardware-enforced security features, helping protect data and simplify access.

*Product image may differ from actual product

Sustainability in action

Help protect our shared future

Designed with efficiency in mind, this PC is built to be EPEAT Climate+ Gold registered⁹ and ENERGY STAR[®] certified, with at least 80% recycled metal in the keyboard¹⁰ and packed using 100% sustainably sourced or recycled packaging.¹¹

HP 200 G2Ri 16 inch Notebook AI PC

Featuring

Slim, stunning, and cost-optimized design

Equip growing teams with the HP 200 G2Ri 16, infusing AI-ready power³ with sharp visuals on available 2.5K panel⁴ with 240Hz refresh rate⁵, AI noise reduction and Dynamic Voice Leveling in a streamlined, cost-effective profile.

Built to perform fast, adapt quickly, and scale smart

Built for speed and flexibility, this device supports up to 32GB DDR5 or LPDDR5 memory options⁴, AI-ready processors³ with up to 18 TOPS³, and optional high-speed Wi-Fi 7^{6,7} to keep your business moving, adapting, and productive.

Designed for secure performance and lasting durability

Deliver dependable protection and endurance to help your data and your device stay secure with optional fingerprint sensor, discreet hardware-based TPM encryption, MIL-STD⁸ tested durability, and long battery life.

Help protect our shared future

Designed with efficiency in mind, this PC is built to be EPEAT Climate+ Gold registered⁹ and ENERGY STAR[®] certified, with at least 80% recycled metal in the keyboard¹⁰ and packed using 100% sustainably sourced or recycled packaging.¹¹

HP recommends Windows 11 Pro for business

Work anywhere without compromising on performance with Windows 11¹ and HP collaboration, security, and connectivity technology.

Intel[®] multi-core processor

Get the perfect combination of power, snappy performance, and value for your HP 200 G2Ri 16. With an Intel[®] Core™ processor² featuring an up to 18 TOPS NPU³, optimize your workload with AI-ready intelligent technology.

Large screen-to-body display

Work with ease on the 16-inch diagonal 16:10 display. Choose from available WLED, OLED panel technology with optional low blue light and 500 nits of brightness^{4,5} creating a better viewing experience for everyday productivity.

Look your best, even in low light

The optional FHD+IR camera^{4,12} provides visual clarity, while temporal noise reduction improves video. Use Windows Hello¹³ to confirm your identity and unlock your PC, and a privacy shutter for additional security.

Fast and efficient Wi-Fi 7

Get a fast and reliable connection in dense wireless environments with optional gigabit data rate Wi-Fi 7.^{14,15}

Crisp and clear collaboration

Suppress background noise and prevent interruptions for effective online calls and meetings with HP AI Noise Reduction¹⁶, which improves collaboration by applying industry-leading, noise-filtering technology to inbound and outbound audio.

Reliability and durability

Undergoes MIL-STD 810¹⁷ testing for hardware and systems to help ensure your HP laptop meets or exceeds HP durability standards.

Confident input that just clicks

Comfort meets control with the expansive Microsoft Precision clickpad for fluid, multi-touch gestures. Match that with spill-resistant keys and an optional backlit keyboard⁴ for a smooth and durable typing experience.

Hardened fingerprint authentication

Secure your laptop against hardware and malware threats with available match-on-host fingerprint sensor.⁴ Capture, secure, and store your biometric asset, while the host system protects the integrity and privacy of your fingerprint data.

A setup that can expand with your workflow

Simplify your setup and effortlessly launch your device using dual USB-C[®] ports with Power Delivery and DisplayPort™, so you don't have to settle for just one screen. You can also attach additional peripherals with RJ45 or dual USB-A.

Power through with lasting battery life

Stay unplugged and on the move with an available 68Whr HP Long Life battery and 100W USB-C[®] quick charge adapter.⁴ Perfect for hybrid work, travel, and tackling tasks in the field. Now your productivity never has to take a pause.

Uplifting performance with expandable memory

Stay productive on the move with DDR5/LPDDR5 memory options up to 32GB⁴. Enjoy smooth and seamless multitasking and scalable, extended performance—perfect for mobile professionals on the move.

HP 200 G2Ri 16 inch Notebook AI PC

Accessories and services (not included)

HP USB-C Travel Hub G3

Add five essential ports to your notebook using this USB-C® Travel Hub. Sleek and compact, enjoy a superb mobile hub experience through scalable power delivery plus plug and play connectivity with almost any brand, device and operating system¹. Maximize productivity wherever work takes you.

Product number: 86S97UT

¹ Supports Windows 10, Windows 11, ChromeOS, Android, MacOS®, iPadOS.

² 4K content required to view in 4K resolution.

HP 105 Sanitizable Mouse Pad

Elevate your space with an anti-slip, durable, sanitizable¹, and spill-resistant mouse pad. With effortless gliding and pinpoint accuracy, this minimalist mouse pad maximizes movement to make the perfect accomplice to your favorite mouse.

Product number: 8X595AA

¹ Select household wipes can be safely used up to 1,000 wipes. See wipe manufacturer's instructions for disinfecting and the HP cleaning guide for HP tested wipe solutions at [How to Clean Your HP Device Whitepaper \(https://h20195.www2.hp.com/v2/GetDocument.aspx?docname=4AA7-7610ENW\)](https://h20195.www2.hp.com/v2/GetDocument.aspx?docname=4AA7-7610ENW)

² Recycled plastic content percentage is based on the definition set in the IEEE 1680.1-2018 EPEAT® standard.

HP Everyday 16-inch Laptop Backpack

Keep your laptop and accessories protected and organized as you move throughout your day with this durable 16-inch laptop backpack. Responsibly made using recycled materials, this spacious backpack is an ideal companion no matter where your journey takes you.

Product number: A08KLUT

¹ Fits most laptops up to 16 inches.

² HP Total Test Process testing is not a guarantee of future performance under these test conditions. Damage under the HP Total Test Process test conditions or any accidental damage requires an optional HP Accidental Damage Protection Care Pack.

HP 405 Quiet Black Wireless Mouse

Work your way with a mouse designed to keep up with you. With vertical/horizontal scrolling, 24-month battery life¹ and quiet clicks, the durable, soft silicone HP 405 Quiet Wireless Mouse helps you work wherever you are.

Product number: AZ7B3AA

¹ From 1 AA battery. Battery life is an estimate and varies depending on many factors, including number of active, idle and asleep hours of use, number of applications running, environmental conditions and features used; actual battery life will vary with usage and environmental condition. The maximum capacity of battery will naturally decrease with time and usage.

² Requires Windows 10 or higher.

HP 495K Multi-Device Dual-Mode Keyboard

Stay connected, productive, and protected without missing a beat. This keyboard securely connects to multiple devices, streamlines multitasking with smart shortcuts, and delivers all-day typing comfort, so you can focus solely on what matters.

Product number: BD5F5UT

¹ Supports Windows 10/11, macOS, ChromeOS, Android, and iOS. All platforms except Windows have limited feature compatibility.

² Requires HP Accessory Center (HPAC) Software. HPAC available for free download in Microsoft Store.

HP 65W GaN Wall Charger

Power your day with the HP 65W GaN Wall Charger. Smaller, lighter,⁶ and designed for efficient, safe charging,⁵ it delivers reliable power for most USB-C® devices and protects against surge, overcurrent, overvoltage, and overtemperature.

Product number: C90CKUT

¹ Compliant with EU Lot7 power efficiency.

² Adaptive power output(15W/27W/45W/65W)

HP 200 G2Ri 16 inch Notebook AI PC

Footnotes

Messaging Footnotes

- ¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows is automatically updated and enabled. High speed internet and Microsoft account required. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>.
- ² Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance.
- ² Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance.
- ³ Features and software that require an NPU may require software purchase, subscription or enablement by a software or platform provider, and third-party software may have specific configuration or compatibility requirements. Performance varies by use, configuration, and other factors.
- ⁴ Optional feature that must be configured at the time of purchase.
- ⁵ All performance specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary either higher or lower.
- ⁶ Wireless access point and Internet service required and sold separately. Availability of public wireless access points limited. Wi-Fi 7 (802.11BE) functionality requires compatible Windows 11 OS, compatible processor, and separately purchased Wi-Fi 7 router to support backwards compatibility with prior 802.11 specs. Available in countries where Wi-Fi 7 is supported. The specification for 802.11BE is a draft specification and is not final. If the final specification differs from the draft specification, it may affect the ability of the device to communicate with other 802.11BE devices.
- ⁷ Wi-Fi® supporting gigabit data rate is achievable with Wi-Fi 7 (802.11BE) when transferring files between two devices connected to the same router. Requires a wireless router, sold separately, that supports 160MHz channels.
- ⁸ MIL-STD testing is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or for military use. Test results are not a guarantee of future performance under these test conditions. Accidental damage requires an optional HP Accidental Damage Protection Care Pack.
- ⁹ EPEAT tier levels may vary by country. See www.epeat.net for registration status and tier levels by country.
- ¹⁰ Recycled metal is expressed as a percentage of the total weight of the metal according to ISO 14021 definitions for metal parts over 25 grams.
- ¹¹ HP paper and fiber-based packaging for PCs, displays, home and office print, and supplies is reported by suppliers as recycled or certified, with a minimum of 97% by volume verified by HP. Packaging is the box that comes with the product and all paper-based materials inside the box. Packaging for commercial print, industrial, and 3D products, scanners, personal systems accessories, and spare parts is not included.
- ¹² Full high-definition (FHD) content required to view FHD images.
- ¹³ Requires Windows 10 and higher and set up of facial recognition through Windows Hello.
- ¹⁴ Wireless access point and Internet service required and sold separately. Availability of public wireless access points limited. Wi-Fi 7 (802.11BE) functionality requires compatible Windows 11 OS, compatible processor, and separately purchased Wi-Fi 7 router to support backwards compatibility with prior 802.11 specs. Available in countries where Wi-Fi 7 is supported. The specification for 802.11BE is a draft specification and is not final. If the final specification differs from the draft specification, it may affect the ability of the device to communicate with other 802.11BE devices.
- ¹⁵ Wi-Fi® supporting gigabit data rate is achievable with Wi-Fi 7 (802.11BE) when transferring files between two devices connected to the same router. Requires a wireless router, sold separately, that supports 160MHz channels.
- ¹⁶ Requires HP app and Windows OS.
- ¹⁷ MIL-STD testing is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or for military use. Test results are not a guarantee of future performance under these test conditions. Accidental damage requires an optional HP Accidental Damage Protection Care Pack.

Specification Footnotes

- ¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows is automatically updated and enabled. High speed internet and Microsoft account required. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>.
- ² Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance.
- ³ Processor speed denotes maximum performance mode; processors will run at lower speeds in battery optimization mode.
- ⁴ Intel® Turbo Boost performance varies depending on hardware, software and overall system configuration. See www.intel.com/technology/turboboost for more information.
- ⁵ Features and software that require an NPU may require software purchase, subscription or enablement by a software or platform provider, and third party software may have specific configuration or compatibility requirements. Potential NPU inferencing performance varies by use, configuration, and other factors.
- ⁶ Due to the non-industry standard nature of some third-party memory modules, we recommend HP branded memory to ensure compatibility. If you mix memory speeds, the system will perform at the lower memory speed.
- ⁷ For storage drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 32 GB is reserved for system recovery software.
- ⁸ Wi-Fi 6 is designed to support gigabit data rate when transferring files between two devices connected to the same router. Requires a wireless router, sold separately, that supports 80MHz and higher channels. Wireless access point and Internet service required and sold separately. Availability of public wireless access points limited. Wi-Fi 6 (802.11ax) is backwards compatible with prior 802.11 specs.
- ⁹ Wireless access point and Internet service required and sold separately. Availability of public wireless access points limited. Wi-Fi 7 (802.11be) functionality requires compatible Windows OS, select processor, and a Wi-Fi 7 router, sold separately. Wi-Fi 7 is backwards compatible with prior 802.11 specs. Available in countries where Wi-Fi 7 is supported.
- ¹⁰ Miracast is a wireless technology your PC can use to project your screen to TVs, projectors, and streaming.
- ¹¹ The term "10/100/1000" or "Gigabit" Ethernet indicates compatibility with IEEE standard 802.3ab for Gigabit Ethernet, and does not connote actual operating speed of 1 Gb/s. For high-speed transmission, connection to a Gigabit Ethernet server and network infrastructure is required.
- ¹² Optional feature that must be configured at the time of purchase.
- ¹³ Resolutions are dependent upon monitor capability, and resolution and color depth settings.
- ¹⁴ All specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary either higher or lower.
- ¹⁵ Intel® ARC Graphics capabilities require system to be configured with Intel® Core™ Ultra 5 or Ultra 7 processors and dual channel memory. Single channel memory will only function as Intel® Graphics.
- ¹⁶ For new batteries, actual battery Watt-hours (Wh) may differ from the design capacity and may have a full charge capacity that differs by up to 10, which is typical for lithium-ion batteries. Battery capacity naturally decreases over time and with use, depending on several factors such as battery health management settings, shelf life, temperature, environment, loaded apps, features, system configuration, and power settings.
- ¹⁷ Recharges up to 50% within 45 minutes when the system is off or in standby mode when used with the power adapter provided with the notebook. Power adapter minimum of 65 watts required for battery capacities 56Whr or less. Power adapter minimum of 100 watts required for battery capacities greater than 56Whr and less than 83Whr. Power adapter minimum of 120 watts required for battery capacities greater than 83Whr and less than 100Whr. After charging has reached 90% capacity, charging speed will return to normal. Charging time may vary +/-10% due to System tolerance.
- ¹⁸ Availability may vary by country.
- ¹⁹ Based on US EPEAT registration according to IEEE 1680.1-2018 EPEAT. EPEAT status varies by country. Visit <http://www.epeat.net> for more information.
- ²⁰ Microsoft 365 sold separately and requires Internet access for activation.
- ²¹ HP App with Multicamera support for Mini Desktop PC will only available on 13th processor and beyond.
- ²² HP Support Assistant is available on Windows. For more information, please visit <http://www.support.hp.com/help/hp-support-assistant>.
- ²³ HP Smart Support automatically collects the telemetry necessary upon initial boot of the product to deliver device-level configuration data and health insights and is available preinstalled on select products, thru HP Factory Configuration Services; or it can be downloaded. For more information about how to enable HP Smart Support or for download, please visit <http://www.hp.com/smart-support>.
- ²⁴ Absolute Persistence firmware module is shipped turned off and can only be activated with the purchase a license subscription and full activation of the software agent. License subscriptions can be purchased for terms ranging multiple years. Service is limited, check with Absolute for availability outside the U.S. Certain conditions apply. For full details visit: <https://www.absolute.com/about/legal/agreements/absolute/>.
- ²⁵ HP Secure Erase implements the methods outlined in the National Institute of Standards and Technology Special.
- ²⁶ HP Fingerprint Sensor is an optional feature and requires configuration at purchase.
- ⁵¹ Backlit keyboard is an optional feature that must be configured at purchase.
- ⁵² Typical dimension. Actual dimension may vary +/- 0.5mm. Height may vary based on configuration. Maximum Height does not include Rubber feet. Actual maximum product height may vary between 153 cm (0.6 in) and 189 cm (0.74 in) depending on the configuration/model.
