

HP Renew 14 Laptop Sleeve

Hi, I'm made of plastic bottles

This 14" (35.56 cm) diagonal laptop sleeve is made out of discarded plastic bottles. These bottles are ground into pellets which are spun into yarn and knit into the beautiful sleeve you see in front of you. Reducing the plastics in nature and upping your sleek style.

Plastic bottles turned into modern protection

Help keep plastic out of the environment by using a 14" (35.56 cm) diagonal laptop sleeve made from recycled plastic bottles.¹

Thoughtful, innovative construction

Knit to shape construction provides optimal fit and a modern design, with minimal manufacturing waste.

Magnetic closure

The zipperless design with a magnetic closure provides a convenient and snug fit to your laptop.

Slim, light, designed to fit

A slim, and elegant design with heat-sealed edges that fits easily into a briefcase or backpack.
